

CAIRE Inc.'s Liquid Oxygen System 2012 Technical Training Seminar

CAIRE Inc. is offering a factory-based technical training seminar on the array of liquid oxygen system in the CAIRE Family, including HELiOS, Spirit Family, Liberator, and others. The information presented in this two-day seminar is designed to make your technician comfortable with how the Liquid Oxygen system works, how to identify and resolve equipment problems, and how to keep your equipment in top operating condition. Certificates of attendance will be presented at the conclusion of the seminar.

SEMINAR DATES

February 22 & 23

May 9 & 10

August 15 & 16

November 7 & 8

To determine seating availability in these seminars please call CAIRE Inc.'s Technical Service Department at 800.482.2473 or e-mail us at techservice.usa@chart-ind.com. Thank you.

SEMINAR LOCATION AND HOURS

The technical training seminars will be held in our training center located at:

**CAIRE Inc.
2200 Airport Industrial Drive
Suite 500.
Ball Ground, Georgia 30107
Local Phone: 770.721.7700**

The class sessions will begin promptly at 9:00 AM and end at approximately 4:45 PM. Attire for the seminar is casual. However, since we will be working with liquid oxygen (-297° F) and will be taking a tour of the manufacturing facility, shorts and sandals should *not* be worn during class.

NO SEMINAR FEE

There will be no Seminar Fee for CAIRE Inc.'s Technical Trainings. Seminar participants are responsible for transportation to and from the airport and the training location. Participants are also responsible for their hotel rooms and any charges that are related to their stay. CAIRE Inc. will provide all meals throughout the two-day training.

(Please note any special needs or food allergies on the registration form)
